Principal's Message

The doors to Marina Vista opened on September 2, 2008. This beautiful, state-of-the-art facility includes a full gymnasium/multiuse cafeteria and artificial-turf field. There are two classroom computer labs and six mobile labs that teachers can utilize on a daily basis, providing our students many opportunities to become 21st-century learners. Our highly qualified teachers are dedicated to providing standards-based lessons using effective strategies that will enable our students to become career and college ready.

In the spring of 2016, third- through fifth-grade students took the California Assessment of Performance and Progress (CAASPP) for the second time using the Smarter Balanced Assessment Consortium (SBAC) system. Our goal for the 2016-17 school year is to continue to improve our student achievement in both English language arts and math with the Common Core State Standards. We will increase our proficiency rates in both English language arts and math by at least 5 percent.

In order to meet our goal, we will focus on:

- Creating inquiry-based learning unit plans to teach comprehension and writing skills using a variety of challenging texts
- Building early literacy skills to increase fluency in grades K-2 to prepare students for rigorous reading
- Implementing a Balanced English Language Arts block including daily instruction with reading foundational skills, grade-level text reading, comprehension, writing and leveled reading
- Implementing a Balanced Math Block including daily instruction around procedural fluency, problem solving, and conceptual understanding using our new Go Math adoption
- Allowing student opportunities to incorporate technology and oral presentations to build students' abilities in listening and speaking standards

We have established two leadership teams to focus on the development of our academic goals as well as our culture and climate goals at Marina Vista. Our Equity Team meets monthly to create various ways to honor and award students through positive behavior incentives, monthly student recognition assemblies, student council, spirit days and family nights. We also meet monthly to focus on building our cultural proficiency as a staff and to work on our implementation of Restorative Practices in order to foster strong classroom communities for our students.

School Mission Statement

At Marina Vista Elementary School, we are committed to working with all stakeholders to build a strong foundation for our students in order to prepare them to become 21st-century learners and college and career ready.

School Vision Statement

Our school embraces the diversity and culture of the Pittsburg community. Our teachers and staff support, encourage and challenge each other as well as our students. Our goal is to create students who are young scholars with high academic achievement who possess strong leadership, communication and collaboration skills, and who use critical-thinking skills to problem solve in daily life. Students will be well versed in the use of technology as a tool to generate and locate information, create new ideas, and enhance knowledge.

Enrollment by Student Group

The total enrollment at the school was 701 students for the 2016-17 school year. The pie chart displays the percentage of students enrolled in each group.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

District Mission Statement

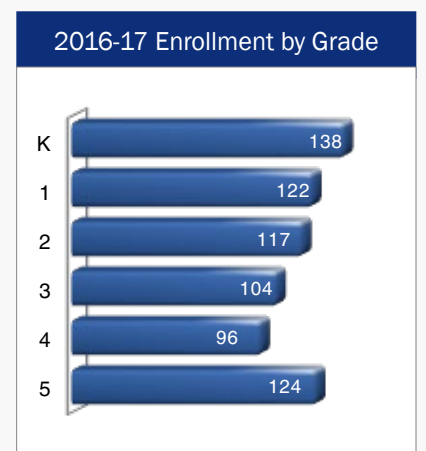

It is the mission of Pittsburg Unified School District (PUSD) to inspire our students, to ensure they achieve equity in academic excellence and to bring students closer together through shared experiences in learning. We believe the cultural diversity of our community, and our youth are our greatest assets. We endeavor to bring our students to their fullest potential and to create lifelong learners who will contribute positively to the world.

Governing Board

- Mr. De'Shawn Woolridge, president
- Dr. Laura Canciamilla, vice president
- Mr. George Miller, trustee
- Mr. Joseph Arenivar, trustee
- Mr. Duane Smith, trustee

Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2016-17 school year.

Board Goals

1. Student Achievement

- Students will demonstrate continuous improvement in academic excellence, as measured by clear and accessible multiple assessments
- Opportunity gaps will have accelerated reduction through purposeful interventions and supports

2. Powerful Instruction

- Effective instruction aligned to the common core will be expected, supported and measured to ensure continuous improvement of student achievement

3. Outstanding Staff

- The district will recruit "highly qualified" and appropriately credentialed teachers
- The district will support, retain and promote quality staff through good working conditions, competitive total compensation packages, and coaching and professional development

4. Quality Learning Environment

- High-quality facilities
- Safe, orderly and secure schools
- School site culture of caring and respect
- State-of-the-art technology

5. High-Performing, Accountable Organization

- Fiscal stability and responsible long-range planning
- Comprehensive accountability system
- Effective informational and instructional technology
- Responsible, respectful, efficient and transparent service

6. Meaningful Collaboration, Partnership and Parental Engagement

- Timely and accessible communication with community
- Strategic community partnerships
- Focus on parent and student engagement, including diverse opportunities for involvement
- Strong communication and relationships between parents/guardians and schools
- Proactive engagement in students' academic and personal growth
- Board and superintendent and staff communication

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram® is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

- Aerobic Capacity
- Body Composition
- Flexibility
- Abdominal Strength and Endurance
- Upper Body Strength and Endurance
- Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

CAASPP Test Results for All Students: Science (grades 5, 8 and 10)

Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA) and California Alternate Performance Assessment (CAPA) in grades 5, 8 and 10. The table shows the percentage of students scoring at proficient or advanced.

The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Federal Intervention Program

Schools and districts will not be newly identified for Program Improvement (PI) in the 2017-18 school year under the Every Student Succeeds Act (ESSA) that became law in December 2015, which reauthorized the Elementary and Secondary Education Act (ESEA). Schools and districts receiving Title I, Part A funding for the 2016-17 school year and were "In PI" in 2016-17 will retain their same PI status and placement year for 2017-18. Schools and districts receiving Title I, Part A funding for the 2016-17 school year and either had a status of "Not in PI" for the 2016-17 school year or did not receive Title I, Part A funding in the 2015-16 school year will have a status of "Not in PI" for the 2017-18 school year. The percentage of schools identified for Program Improvement is calculated by taking the number of schools currently in PI within the district and dividing it by the total number of Title I schools within the district.

This table displays the 2017-18 Program Improvement status for the school and district. For detailed information about PI identification, please visit www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

California Assessment of Student Performance and Progress (CAASPP)

For the 2016-17 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

Smarter Balanced Assessments include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: English Language Arts/Literacy and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 3-5.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Textbooks and Instructional Materials

California state-adopted textbooks are recommended by district committees, adopted by the board and then purchased. Each site, through funds supplied by the district, has been able to provide each student with a copy of every core textbook to use in class and take home for homework.

The district has purchased textbooks and instructional materials for grades K-12; said textbooks and instructional materials are used by students at each grade level in each school. The Pittsburg Unified School District Governing Board declared during its fall school board meeting that PUSD has provided sufficient textbooks and instructional materials consistent with the state board-adopted curriculum framework cycle.

School Safety

The school safety plan is reviewed and updated annually and addresses the school's response to earthquakes, fires, intruders, chemical spills and other natural disasters. Fire drills are conducted each month, and drills for earthquakes, intruders, and shelter in place are conducted annually. The plan also includes two action components. We provided CPR and automated external defibrillator (AED) training was for the staff in the fall of 2009.

All visitors must sign in and receive a visitor's pass upon entering the school. Staff members have photo-identification badges. Parents can access the safety plan in the school office.

The school safety plan was last reviewed, updated and discussed with the school faculty in September 2017.

Types of Services Funded

The following services are provided at the district and/or site level:

- Collaboration and Intervention Team
- Professional development including ELA and math trainings, cross-cultural language and academic-development examination, ADEPT, Systematic ELD, Lesson Study, and data protocol
- Parent and family engagement opportunities and training
- Extended-day and summer intervention programs
- College-readiness programs
- Counseling
- Class-size reduction
- Summer programs
- Credit recovery programs

Parental Involvement

The School Site Council (SSC) and English Learner Advisory Committee (ELAC) meet monthly to review progress and monitor the Single Plan for Student Achievement. All meetings are open to the public. The school holds monthly family-night activities, which include both educational and social events. This year, we will be host Common Core Parent Informational nights to inform our parents of what we are teaching and how we are teaching it so they can assist their students with their homework at home. Parent support is evident at Back-to-School Night, the Halloween parade, Jump Rope for Heart, Open House, Discovery Days and Field Day. Classroom volunteers chaperone field trips and assist with daily school activities. We welcome all our parents to become volunteers. The Marina Vista Ospreys Booster Club meets monthly and provides many opportunities for parent participation. The parent club has worked in partnership with the staff, teachers and parents to continually build a sound community between our school and families.

Pittsburg Unified School District hired a parent family liaison in connection with the board's Goal #3 to increase parent engagement and involvement.

For more information on how to become involved, please contact Amitai Padilla, parent volunteer liaison at (925) 473-2490.

"Our highly qualified teachers are dedicated to providing standards-based lessons using effective strategies that will enable our students to become career and college ready."

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor. At the time of this school facility inspection, no deficiencies were found.

School Facilities

Marina Vista opened on September 2, 2008. It is a two-story structure with 26 classrooms, two computer labs, a science lab, library, full gymnasium/multiuse cafeteria, artificial-turf field with full lighting and two playground areas. The entire outdoor play area is enclosed by wrought-iron fencing. The only entrance to the school for the public is at the front of the school by the main office. Each classroom has internet access, three computers, and ceiling-mounted LCD projectors with document cameras and DVD/VCR capability. All classrooms and offices have telephones with voicemail capabilities. There are 10 office spaces to house support staff. Staff parking is located in an underground parking garage with gated code access. Exterior doors are locked and unlocked using a card-swipe system and computerized timed lock and unlock features. Video cameras are located throughout the school, allowing the administration to monitor the entire facility from a central location.

The site administrator, custodial staff (two full time, one part time) and district custodial supervisor address school cleanliness daily. Restrooms are cleaned at least twice each day. Classrooms and common areas are cleaned daily.

Marina Vista has a portable classroom on our campus to house our preschool program. The portable is very spacious and has a self-contained bathroom. This portable will be equipped with technological equipment including computers and an LCD projector and screen.

Over the 2015 summer break, solar panels were installed on the field to coincide with the district's energy plan. The solar panels help the site to reduce energy and also provide shade on hot days.

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. Professional Development

The Local Control Accountability Plan (LCAP), Local Education Agency Plan (LEAP) addendum and the sites' Single Plan for Student Achievement (SPSA) are the genesis of selected focus for professional development. The data from student achievement drives the selection of adult learning opportunities. Based on student-achievement data, including the data from underserved student groups, the district is focusing professional development on integrating the Common Core State Standards in English language arts (ELA) and mathematics.

Every teacher participates in three full-release professional-development days. In addition, educators collaborate with each other in facilitated grade-level/department meetings. Site administrators provide support and feedback to staff members related to targeted improvements. Pittsburg teachers also participate in a structured Collaboration Cycle where they meet with their colleagues to create common lessons that they teach in their classrooms, while their colleagues and instructional coaches provide them feedback.

Summer institutes are numerous and comprehensive. In-depth trainings are available in implementing core curricula, intervention programs, English language development (ELD), structured engagement, expository writing, reading comprehension and mathematics, as a few examples. Teachers fulfill the No Child Left Behind Act requirements for being highly qualified with district support. Compensation is provided to teachers who attend professional development outside the workday.
