Principal's Message

Stoneman Elementary School is a learning institution where students succeed, families are welcome and professionals thrive. Instruction focuses on the goal that all students will be successful in meeting district benchmarks and end-of-the year state standards. Teachers utilize differentiated instructional techniques to address learning styles and strengths, and to challenge students to reach their potential. While the new California Assessment of Student Performance and Progress (CAASPP) results are not positive statewide, within the district Stoneman continues to be among the top scoring schools. Stoneman continues to be one of two schools that is a school of choice in the district.

After-school programs are offered for students in need of additional assistance with homework as well as a safe place for students after school. In order to support success for students, especially in the acquisition of reading skills, intervention services are available. Mental-health support is provided through the district psychologist and Lincoln Child Center. Students with Individualized Education Plans (IEPs) receive assistance through a Learning Center model. PBIS practices (Positive Behavioral Interventions and Supports) and restorative justice practices are also being implemented schoolwide.

Stoneman celebrates our diversity and our partnerships with our parent community.

School Mission Statement

At Stoneman Elementary School, we create positive, rigorous classroom environments that engage students in academic work that results in a high level of achievement. Data shows that with our support and help, students can master challenging curricula, and we expect them to do so. We work collaboratively with colleagues, students, parents and the community to achieve our shared educational purpose.

School Vision Statement

A positive, diverse community of students, families, teachers, and staff working and learning together to achieve our best.

Enrollment by Student Group

The total enrollment at the school was 673 students for the 2016-17 school year. The pie chart displays the percentage of students enrolled in each group.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

District Mission Statement

It is the mission of Pittsburg Unified School District (PUSD) to inspire our students, to ensure they achieve equity in academic excellence and to bring students closer together through shared experiences in learning. We believe the cultural diversity of our community, and our youth are our greatest assets. We endeavor to bring our students to their fullest potential and to create lifelong learners who will contribute positively to the world.

Governing Board

- Mr. De'Shawn Woolridge, president
- Dr. Laura Canciamilla, vice president
- Mr. George Miller, trustee
- Mr. Joseph Arenivar, trustee
- Mr. Duane Smith, trustee

Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2016-17 school year.

Board Goals

1. Student Achievement

- Students will demonstrate continuous improvement in academic excellence, as measured by clear and accessible multiple assessments
- Opportunity gaps will have accelerated reduction through purposeful interventions and supports

2. Powerful Instruction

- Effective instruction aligned to the common core will be expected, supported and measured to ensure continuous improvement of student achievement

3. Outstanding Staff

- The district will recruit "highly qualified" and appropriately credentialed teachers
- The district will support, retain and promote quality staff through good working conditions, competitive total compensation packages, and coaching and professional development

4. Quality Learning Environment

- High-quality facilities
- Safe, orderly and secure schools
- School site culture of caring and respect
- State-of-the-art technology

5. High-Performing, Accountable Organization

- Fiscal stability and responsible long-range planning
- Comprehensive accountability system
- Effective informational and instructional technology
- Responsible, respectful, efficient and transparent service

6. Meaningful Collaboration, Partnership and Parental Engagement

- Timely and accessible communication with community
- Strategic community partnerships
- Focus on parent and student engagement, including diverse opportunities for involvement
- Strong communication and relationships between parents/guardians and schools
- Proactive engagement in students' academic and personal growth
- Board and superintendent and staff communication

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram® is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

- Aerobic Capacity
- Body Composition
- Flexibility
- Abdominal Strength and Endurance
- Upper Body Strength and Endurance
- Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

CAASPP Test Results for All Students: Science (grades 5, 8 and 10)

Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA) and California Alternate Performance Assessment (CAPA) in grades 5, 8 and 10. The table shows the percentage of students scoring at proficient or advanced.

The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Federal Intervention Program

Schools and districts will not be newly identified for Program Improvement (PI) in the 2017-18 school year under the Every Student Succeeds Act (ESSA) that became law in December 2015, which reauthorized the Elementary and Secondary Education Act (ESEA). Schools and districts receiving Title I, Part A funding for the 2016-17 school year and were "In PI" in 2016-17 will retain their same PI status and placement year for 2017-18. Schools and districts receiving Title I, Part A funding for the 2016-17 school year and either had a status of "Not in PI" for the 2016-17 school year or did not receive Title I, Part A funding in the 2015-16 school year will have a status of "Not in PI" for the 2017-18 school year. The percentage of schools identified for Program Improvement is calculated by taking the number of schools currently in PI within the district and dividing it by the total number of Title I schools within the district.

This table displays the 2017-18 Program Improvement status for the school and district. For detailed information about PI identification, please visit www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

California Assessment of Student Performance and Progress (CAASPP)

For the 2016-17 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

Smarter Balanced Assessments include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: English Language Arts/Literacy and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 3-5.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Textbooks and Instructional Materials

California state-adopted textbooks are recommended by district committees, adopted by the board and then purchased. Each site, through funds supplied by the district, has been able to provide each student with a copy of every core textbook to use in class and take home for homework.

The district has purchased textbooks and instructional materials for grades K-12; said textbooks and instructional materials are used by students at each grade level in each school. The Pittsburg Unified School District Governing Board declared during its fall school board meeting that PUSD has provided sufficient textbooks and instructional materials consistent with the state board-adopted curriculum framework cycle.

Textbooks and Instructional Materials List		2017-18 School Year

Parental Involvement

Parents and guardians are encouraged to participate in all of our committees and our events. Collaborative efforts by parents, teachers, administrators and the community at-large ensure the educational success of every child.

Stoneman Elementary has an active Parent Faculty Club, School Site Council (SSC) and English Learner Advisory Committee (ELAC). Community Feasts, Movie Nights, Back-to-School Night, conferences, open house, Family Literacy Night, Family Math Night, Science Night and Field Day are a few of Stoneman's highly attended family events held throughout the school year. We also have Coffee with the Principal monthly, providing opportunities for conversation and sharing of ideas.

For more information on how to become involved at the school, please contact Rose Aguilar, parent coordinator, at (925) 473-2430.

Quality of Textbooks

School Facilities

Stoneman Elementary School currently serves approximately 650 students in 33 classrooms. Additional rooms are allocated for such services as counseling, special education and two computer labs. Special features include an enclosed courtyard and a spacious parking lot. The school was built in 1990.

A regular custodial team maintains the campus and its structures. Large projects are arranged on a yearly schedule to ensure regular maintenance.

Stoneman is a closed campus. All visitors are required to register at the principal’s office. In the office, identification is confirmed, and guests sign in and are given a badge to use while on campus.

Supervision is provided 15 minutes before and after school and during the school day to ensure the safety of all students during school hours.

Every site is inspected according to the guidelines generated by the Williams case decision. At this time, we have no safety-related discrepancies. The site administrator and the custodial staff address school cleanliness daily. We clean restrooms on a routine basis, note discrepancies, create work orders and make corrections on a timely basis. School grounds and facilities are adequate for the student enrollments assigned to the site. Deferred maintenance items are scheduled and completed in a timely manner.

Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item’s repair status, all deficiencies are listed.

Deficiencies and Repairs		2017-18 School Year
Items Inspected	Deficiencies and Action Taken or Planned	Date of Action
Interior	Two front doors and doors leading to kindergarten are hard to open. Work order entered and repairs are complete.	10/26/2017
Safety	Many cracks in blacktop in back of school. Work order entered and repairs are complete.	6/22/2017
External	Blacktop is uneven in front of school and middle parking lot. Work order entered.	Ongoing

School Safety

Stoneman Elementary School has a Safe School Plan for emergencies such as fire, earthquake, chemical spills and other civil disasters on file in the main office. Procedures in this plan are reviewed with all staff regularly in order for readiness in the event of an emergency.

A fire drill is conducted monthly. Other drills, such as earthquake and shelter-in-place, are also practiced multiple times each year.

The school safety plan was last reviewed, updated and discussed with the school faculty in November 2017.

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. Professional Development

The Local Control Accountability Plan (LCAP), Local Education Agency Plan (LEAP) addendum and the sites' Single Plan for Student Achievement (SPSA) are the genesis of selected focus for professional development. The data from student achievement drives the selection of adult learning opportunities. Based on student-achievement data, including the data from underserved student groups, the district is focusing professional development on integrating the Common Core State Standards in English language arts (ELA) and mathematics.

Every teacher participates in three full-release professional-development days. In addition, educators collaborate with each other in facilitated grade-level/department meetings. Site administrators provide support and feedback to staff members related to targeted improvements. Pittsburg teachers also participate in a structured Collaboration Cycle where they meet with their colleagues to create common lessons that they teach in their classrooms, while their colleagues and instructional coaches provide them feedback.

Summer institutes are numerous and comprehensive. In-depth trainings are available in implementing core curricula, intervention programs, English language development (ELD), structured engagement, expository writing, reading comprehension and mathematics, as a few examples. Teachers fulfill the No Child Left Behind Act requirements for being highly qualified with district support. Compensation is provided to teachers who attend professional development outside the workday.
