Principal's Message

Willow Cove Elementary School is currently home to approximately 716 preschool through fifth-grade students. We offer an after-school program that provides enrichment and academic support for our students. In 2004, Willow Cove opened its first dual-immersion classroom for kindergartners. Today, we have 12 dual-immersion classes for grades K-5. We also have two special day classes for K-2 and 3-5.

A strong, dedicated teaching staff and a committed cadre of support personnel model Willow Cove's professionalism. General and special education teachers; specialist teachers in music, science and physical education; a resource specialist; speech therapist; school psychologist; and Lincoln Center counselors all collaborate to ensure students are ready to learn and be successful. A library technician, nurse, two bilingual instructional aides, three classified office staff members, and five yard supervisors along with custodians and cafeteria personnel provide on-the-ground support to our students throughout the day.

Willow Cove has a Parent Involvement Policy and encourages parent participation that meets the various schedules and desires of the community. Parent groups include a Parent Club, the English Learner Advisory Committee (ELAC) and the School Site Council (SSC).

Willow Cove promotes community partnerships and various industries provide dictionaries for each third grader annually. We also participate in grants related to student and community nutrition and healthy living, working with Child Nutrition Services, Fresh Approach, Contra Costa Health Services and the Contra Costa County food bank. We also serve to meet the emotional needs of our students through our Positive Behavioral Interventions and Supports program and our on-site Lincoln Center counseling services.

Willow Cove is proud to have received the Gold Award of Distinction in the HealthierUS School Challenge, which recognizes our outstanding efforts to promote healthy nutrition and exercise for our students.

Our Goals

We continue reshaping and investing in the instructional program to achieve the goal of having our students be on track for college and career readiness by achieving proficient or above scores on the Common Core State Standards assessments.

School Focus

- Boost best first instruction through:
 - Collaborative coaching model, with focus on best practices and checks for understanding
 - Daily implementation of a balanced math program; reading foundational skills in K-3; writing program; fluency routine and Universal Access
 - Designated English language development (ELD) periods for all K-5 classes
 - Extended individual coaching opportunities for teachers
- Establish a continuous cycle of improvement through:
 - Regular staff and grade-level examination of common student-learning data on Common Core State Standards after and between benchmark assessments
 - Common instructional planning based on student-learning data
 - Data conferences with teachers after regular student assessments
- Intensify differentiated instruction in core areas through:
 - Daily use of Accelerated Reader in English language arts and Accelerated Math
 - Universal Access for Response to Instruction (RTI), with small group instruction for FBB, BB and B students
 - Leveled readers are available to create differentiated student reading groups
 - Provide after-school expanded learning to address learning gaps with a focus on literacy and math
- Provide a safe and clean learning environment:
 - Continue to implement our Positive Behavioral Interventions and Supports system and regularly assess ongoing needs and solutions through our Star Student Program, Soul Shoppe and Restorative Justice
 - Conduct informal and formal opportunities for all stakeholders to provide feedback and input
 - Work proactively with maintenance and operations to immediately address issues as they arise
 - Train staff in crisis response and safety-related topics
- Communicate proactively with our parent community:
 - Hold regular school-related activity nights for families
 - Partner with all parent groups to explore best practices for communication, including autodialer and auto-texting programs

We want our students to be positive world changers with unlimited options and possibilities for their futures.

School Vision Statement

Willow Cove is committed to providing equity for all students with effective, engaging, rigorous and differentiated instruction that facilitates: language learning and early literacy; inclusive practices for special education; and focused work with English language learners by building on and recognizing the importance of culture.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

District Mission Statement

It is the mission of Pittsburg Unified School District (PUSD) to inspire our students, to ensure they achieve equity in academic excellence and to bring students closer together through shared experiences in learning. We believe the cultural diversity of our community, and our youth are our greatest assets. We endeavor to bring our students to their fullest potential and to create lifelong learners who will contribute positively to the world.

Governing Board

Mr. De'Shawn Woolridge, president
 Dr. Laura Canciamilla, vice president
 Mr. George Miller, trustee
 Mr. Joseph Arenivar, trustee
 Mr. Duane Smith, trustee

Board Goals

1. Student Achievement

- Students will demonstrate continuous improvement in academic excellence, as measured by clear and accessible multiple assessments
- Opportunity gaps will have accelerated reduction through purposeful interventions and supports

2. Powerful Instruction

- Effective instruction aligned to the common core will be expected, supported and measured to ensure continuous improvement of student achievement

3. Outstanding Staff

- The district will recruit "highly qualified" and appropriately credentialed teachers
- The district will support, retain and promote quality staff through good working conditions, competitive total compensation packages, and coaching and professional development

4. Quality Learning Environment

- High-quality facilities
- Safe, orderly and secure schools
- School site culture of caring and respect
- State-of-the-art technology

5. High-Performing, Accountable Organization

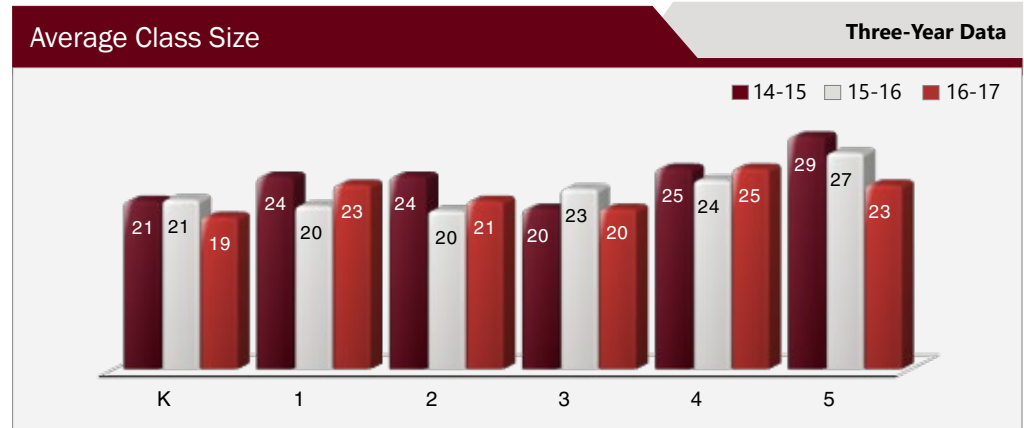

- Fiscal stability and responsible long-range planning
- Comprehensive accountability system
- Effective informational and instructional technology
- Responsible, respectful, efficient and transparent service

6. Meaningful Collaboration, Partnership and Parental Engagement

- Timely and accessible communication with community
- Strategic community partnerships
- Focus on parent and student engagement, including diverse opportunities for involvement
- Strong communication and relationships between parents/guardians and schools
- Proactive engagement in students' academic and personal growth
- Board and superintendent and staff communication

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram® is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

- Aerobic Capacity
- Body Composition
- Flexibility
- Abdominal Strength and Endurance
- Upper Body Strength and Endurance
- Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

School Mission Statement

It is the mission of both Pittsburg Unified School District and Willow Cove Elementary School to inspire our students, to ensure they achieve equity in academic excellence and to bring students closer together through shared experiences in learning. We believe the cultural diversity of our community and our youth are our greatest assets. We endeavor to bring our students to their fullest potential and to create lifelong learners who will contribute positively to the world. All students will work to achieve California Common Core State Standards and benchmarks with the goal of becoming college and career ready.

Enrollment by Student Group

The total enrollment at the school was 695 students for the 2016-17 school year. The pie chart displays the percentage of students enrolled in each group.

Parental Involvement

Parents and guardians may become involved in our school by participating in any or all of the following activities:

- Classroom volunteer program
- Parent Club
- English Learner Advisory Committee (ELAC)
- School Site Council (SSC)
- Title I parent meeting
- Back-to-school night
- Academic Recognition Medal Ceremony
- Parent-teacher-student goal-setting conferences in October
- Math Night, Literacy Night, Art Night and Healthy Living Night
- Winter and spring concerts
- Parent conferences in March for students in need
- Open house in May
- Field Day and Carnival
- Promotion ceremony for fifth-grade classes in June

For more information on how to become involved, please contact the administrative secretary, Nancy Moreno, at (925) 473-2470.

California Assessment of Student Performance and Progress (CAASPP)

For the 2016-17 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

Smarter Balanced Assessments include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: English Language Arts/Literacy and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 3-5.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results for All Students: Science (grades 5, 8 and 10)

Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA) and California Alternate Performance Assessment (CAPA) in grades 5, 8 and 10. The table shows the percentage of students scoring at proficient or advanced.

The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Federal Intervention Program

Schools and districts will not be newly identified for Program Improvement (PI) in the 2017-18 school year under the Every Student Succeeds Act (ESSA) that became law in December 2015, which reauthorized the Elementary and Secondary Education Act (ESEA). Schools and districts receiving Title I, Part A funding for the 2016-17 school year and were "In PI" in 2016-17 will retain their same PI status and placement year for 2017-18. Schools and districts receiving Title I, Part A funding for the 2016-17 school year and either had a status of "Not in PI" for the 2016-17 school year or did not receive Title I, Part A funding in the 2015-16 school year will have a status of "Not in PI" for the 2017-18 school year. The percentage of schools identified for Program Improvement is calculated by taking the number of schools currently in PI within the district and dividing it by the total number of Title I schools within the district.

This table displays the 2017-18 Program Improvement status for the school and district. For detailed information about PI identification, please visit www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Textbooks and Instructional Materials

California state-adopted textbooks are recommended by district committees, adopted by the board and then purchased. Each site, through funds supplied by the district, has been able to provide each student with a copy of every core textbook to use in class and take home for homework.

The district has purchased textbooks and instructional materials for grades K-12; said textbooks and instructional materials are used by students at each grade level in each school. The Pittsburg Unified School District Governing Board declared during its fall school board meeting that PUSD has provided sufficient textbooks and instructional materials consistent with the state board-adopted curriculum framework cycle.

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks

2017-18 School Year

Criteria	Yes/No
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	Yes
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed.

Deficiencies and Repairs			2017-18 School Year
Items Inspected	Deficiencies and Action Taken or Planned	Date of Action	
Interior	Rooms 6 and LCC: ceiling tiles with stains/holes Rooms 5, 6, 10, 11, 13: sinks not working properly Room 8: light fixtures exposed/incomplete Room 27, 34: ceiling tiles stained Work orders entered for all repairs.	Ceiling tiles repaired 9/13/2017. All other work ongoing.	
Restrooms/fountains	Both boys and girls restrooms have exposed/incomplete light fixtures. Girls restroom has broken light panel. Work orders have been entered for all repairs.	Light panel repaired 9/20/2017. All other work ongoing.	

School Safety

Each year, the teachers and School Site Council review the school safety plan. The school faculty last reviewed, updated and discussed with the school safety plan in October 2017. Key elements of the plan include crisis-response procedures; daily procedures; and procedures and policies for handling harassment and bullying, rules, discipline policies, supervision and schedules. Willow Cove Elementary holds monthly fire drills and practices emergency procedures including earthquake drills, intruder lockdowns and other scenarios as needed.

School Facilities

Willow Cove Elementary School opened in December 1996. The school contains an office building, library and multipurpose room. There are 18 permanent classrooms with four attached workrooms. In addition, we have eight semipermanent classrooms, seven portable classrooms and another portable that serves as a computer lab. Another smaller room serves as an additional computer lab.

There are 2.4 full-time equivalent (FTE) custodians for the regular day. The head custodian is on-site from early morning to afternoon, and the night custodian is on-site from afternoon to late night. An additional night custodian assists twice a week. The administration and custodial staff meet to discuss any problems with the facilities as they arise. We review new district, state and federal policies as needed.

Each morning before school, teachers and supervisors are on duty to ensure all students are supervised. No student is allowed to remain outside alone. At the beginning of the school year, teachers and supervisors are scheduled for yard duty, lunchroom duty, and before- and after-school duties. Administration assists during each portion of the day.

The site is inspected on a monthly basis according to the guidelines generated by the Williams case decision. At this time, we have no safety-related discrepancies that have not been corrected. The site administrators and the custodial staff address school cleanliness daily. Restrooms are cleaned on a routine basis, and discrepancies are noted, work orders are created and corrections are made on a timely basis. School grounds and facilities are adequate for the student enrollments assigned to the site. Deferred maintenance items are scheduled and completed in a timely manner. Solar panels were installed in the summer of 2010.

Working with the district, using district funds, we have remodeled all our student restrooms, and our school has recently been painted. Our playing field recently received a new coat of topsoil in preparation for the Walkathon. Regular attention is given to maintaining all playing and walking surfaces around the school and playground. We have added and refreshed tanbark around the school, and special attention has been given to improving our landscape design. A play structure was installed during the summer of 2011, and we held the ribbon-cutting ceremony for a new proprioceptive play structure in September 2014. There is a measure on the ballot to provide funding for a new multipurpose room and media center.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

Professional Development

The Local Control Accountability Plan (LCAP), Local Education Agency Plan (LEAP) addendum and the sites' Single Plan for Student Achievement (SPSA) are the genesis of selected focus for professional development. The data from student achievement drives the selection of adult learning opportunities. Based on student-achievement data, including the data from underserved student groups, the district is focusing professional development on integrating the Common Core State Standards in English language arts (ELA) and mathematics.

Every teacher participates in three full-release professional-development days. In addition, educators collaborate with each other in facilitated grade-level/department meetings. Site administrators provide support and feedback to staff members related to targeted improvements. Pittsburg teachers also participate in a structured Collaboration Cycle where they meet with their colleagues to create common lessons that they teach in their classrooms, while their colleagues and instructional coaches provide them feedback.

Summer institutes are numerous and comprehensive. In-depth trainings are available in implementing core curricula, intervention programs, English language development (ELD), structured engagement, expository writing, reading comprehension and mathematics, as a few examples. Teachers fulfill the No Child Left Behind Act requirements for being highly qualified with district support. Compensation is provided to teachers who attend professional development outside the workday.

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

All data accurate as of November 2017.
