### Principal's Message

Black Diamond High School (BDHS) is dedicated to providing a unique educational setting with a safe family atmosphere. Black Diamond strives to provide all students with a personalized program that promotes the necessary academic growth, cultural sensitivity, respect for self and others, positive self-image, and decision-making skills. Black Diamond's vision is that its graduates will be effective communicators, complex thinkers, self-directed adults, collaborative workers and responsible citizens. During the 2019-20 school year, the California Department of Education recognized Black Diamond High School as a Model Continuation High School, and it received its updated accreditation in the spring of 2018. We also strive to support students in other ways by creating a community and giving them opportunity to do things both on and off campus. We have created an advisory program to help bring community and culture to the school, a basketball program to allow students to compete, clubs and activities to provide students with opportunities to express themselves.

### School Mission Statement

At Black Diamond High School, the academic and social-emotional growth of each student is our primary focus. We provide an environment for our students to become successful and confident learners. Stakeholders work together to provide meaningful academic, counseling, and personal support for each student to ensure that everyone is uniquely valued.

### School Vision Statement

Black Diamond High School has an experienced, diverse staff that strives to provide a program reflecting the following values:

- BDHS is committed to challenging the growth of all students
- BDHS considers families to be an integral part of our community
- BDHS motivates students to learn, work and flourish in a creative environment
- BDHS supports all students in gaining the necessary skills and meeting the requirements to graduate

### School Safety

Our school participates in a yearly safety drill with the city and county. Fire drills are conducted at least twice a year. We maintain a sign-in requirement for visitors and speakers to classrooms. The staff is provided with photo-identification badges to wear at all times.

Parents may view or peruse a copy of the Disaster Preparedness Plan in the principal's office.

Emergency-preparedness training and first-aid kits are given to all rooms, grades 10-12.

The school safety plan was last reviewed, updated and discussed with the school faculty in September 2020.

### Enrollment by Student Group

The total enrollment at the school was 246 students for the 2019-20 school year. The pie chart displays the percentage of students enrolled in each group.

**2019-20 School Year**

Socioeconomically disadvantaged	82.90%
English learners	30.10%
Students with disabilities	13.80%
Foster youth	2.00%
Homeless	4.90%

### School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

### District Mission Statement

It is the mission of Pittsburg Unified School District (PUSD) to inspire our students, to ensure they achieve equity in academic excellence and to bring students closer together through shared experiences in learning. We believe the cultural diversity of our community, and our youth are our greatest assets. We endeavor to bring our students to their fullest potential and to create lifelong learners who will contribute positively to the world.

### Governing Board

- Mr. Duane Smith, president
- Mr. George Miller, vice president
- Dr. Laura Canciamilla, trustee
- Mr. Joseph Arenivar, trustee
- Mr. De'Shawn Woolridge, trustee

### Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2019-20 school year.

## Board Goals

### 1. Student Achievement

- Students will demonstrate continuous improvement in academic excellence, as measured by clear and accessible multiple assessments
- Opportunity gaps will have accelerated reduction through purposeful interventions and supports

### 2. Powerful Instruction

- Effective instruction aligned to the common core will be expected, supported and measured to ensure continuous improvement of student achievement

### 3. Outstanding Staff

- The district will recruit "highly qualified" and appropriately credentialed teachers
- The district will support, retain and promote quality staff through good working conditions, competitive total compensation packages, and coaching and professional development

### 4. Quality Learning Environment

- High-quality facilities
- Safe, orderly and secure schools
- School site culture of caring and respect
- State-of-the-art technology

### 5. High-Performing, Accountable Organization

- Fiscal stability and responsible long-range planning
- Comprehensive accountability system
- Effective informational and instructional technology
- Responsible, respectful, efficient and transparent service

### 6. Meaningful Collaboration, Partnership and Parental Engagement

- Timely and accessible communication with community
- Strategic community partnerships
- Focus on parent and student engagement, including diverse opportunities for involvement
- Strong communication and relationships between parents/guardians and schools
- Proactive engagement in students' academic and personal growth
- Board and superintendent and staff communication

## Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Number of Classrooms by Size** Three-Year Data

Subject	2017-18			2018-19			2019-20		
	Number of Students								
	1-22	23-32	33+	1-22	23-32	33+	1-22	21-32	33+
English language arts	16			17			19		
Mathematics	7			9			7		
Science	8			8			10		
History/social science	16			15			16		

## Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates. The 2019-20 suspension and expulsion rate data are not comparable to prior year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to prior years. Note: Students are only counted one time, regardless of the number of suspensions.

**Suspensions and Expulsions** Three-Year Data

	Black Diamond HS		Pittsburg USD		California	
	17-18	18-19	17-18	18-19	17-18	18-19
Suspension rates	17.9%	17.4%	7.7%	8.8%	3.5%	3.5%

	19-20		19-20		19-20	
Suspension rates	13.2%		5.7%		2.5%	
Expulsion rates	0.0%		0.0%		0.1%	

## CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The new California Science Test (CAST) was administered operationally during the 2018–19 school year. However, these data are not available for inclusion in the 2019-20 SARC posting due February 1, 2021.

Percentage of Students Meeting or Exceeding State Standards					Two-Year Data

Mathematics	0%	◇	21%	◇	40%	◇

## California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit [www.cde.ca.gov/ta/tg/pf](http://www.cde.ca.gov/ta/tg/pf).

◇ The 2019-20 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waives the requirement for statewide testing for the 2019-20 school year.

## California Assessment of Student Performance and Progress (CAASPP)

For the 2019-20 school year, the CAASPP consists of several key components, including:

**California Alternate Assessments (CAA)** test includes both ELA/literacy and mathematics in grades 3-8 and 11 and science in grades 5, 8 and high school. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

**Smarter Balanced Assessments** include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit [www.cde.ca.gov/ta/tg/ca](http://www.cde.ca.gov/ta/tg/ca).

## CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Results by Student Group: Science (high school)

## Textbooks and Instructional Materials

California state-adopted textbooks are recommended by district committees, adopted by the board and then purchased. Each site, through funds supplied by the district, has been able to provide each student with a copy of every core textbook to use in class and take home for homework.

The district has purchased textbooks and instructional materials for grades K-12; said textbooks and instructional materials are used by students at each grade level in each school. The Pittsburg Unified School District Governing Board declared during its fall school board meeting that PUSD has provided sufficient textbooks and instructional materials consistent with the state board-adopted curriculum framework cycle.

## Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks	
2020-21 School Year	
Criteria	Yes/No
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	Yes
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes

## Currency of Textbooks

This table displays the date when the most recent hearing was held to adopt a resolution on the sufficiency of instructional materials.

Currency of Textbooks	
2020-21 School Year	
Data collection date	9/9/2020

## Career Technical Education Programs

The school has realized the need to address career preparation and does so through a variety of measures, including workshops to discuss job-applicable skills, guest speakers from industry programs, job shadowing in certain fields to recognize needed skills, field trips to various job sites to allow for students to see and understand the work environment, and mock interviews with local job groups to give students an idea of what is necessary for the field. Most of these activities are open to all students, but several target specific groups to identify their place in particular fields (for example, women in the construction field).

## Career Technical Education Participation

This table displays information about participation in the school's Career Technical Education (CTE) programs.

Career Technical Education Data

## Graduation and Dropout Rates

This table displays the graduation and dropout rates for the most recent three-year period for which data is available. The four-year adjusted cohort graduation rate is the number of students who graduate in four years with a regular high school diploma divided by the number of students who form the adjusted cohort for the graduating class. From the beginning of grade 9 (or the earliest high school grade), students who are entering that grade for the first time form a cohort that is "adjusted" by adding any students who subsequently transfer into the cohort and subtracting any students who subsequently transfer out. For more information, please visit <http://dq.cde.ca.gov/dataquest>.

Graduation and Dropout Rates		Three-Year Data				
	Graduation Rate			Dropout Rate		
	16-17	17-18	18-19	16-17	17-18	18-19
Black Diamond HS	58.20%	65.00%	63.30%	18.00%	18.60%	18.30%

## Courses for University of California (UC) and/or California State University (CSU) Admission

The table displays two measures related to the school's courses that are required for University of California and California State University admission for the most recent year for which data is available. For more detailed information, visit <http://dq.cde.ca.gov/dataquest>. For general admissions requirements, please visit the UC Admissions Information web page at <http://admission.universityofcalifornia.edu>. For admission, application and fee information, see the CSU web page at [www.calstate.edu/admission/admission.shtml](http://www.calstate.edu/admission/admission.shtml).

UC/CSU Admission		2018-19 and 2019-20 School Years
		Black Diamond HS
Percentage of students enrolled in courses required for UC/CSU admission in 2019-20		98.78%

### School Facility Good Repair Status

The table shows the results of the school’s most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility’s good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status		2020-21 School Year
Items Inspected	Repair Status	
<b>Systems:</b> Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)	Good	
<b>Interior:</b> Interior surfaces (floors, ceilings, walls and window casings)	Good	
<b>Cleanliness:</b> Pest/vermin control, overall cleanliness	Good	
<b>Electrical:</b> Electrical systems	Good	
<b>Restrooms/fountains:</b> Restrooms, sinks and drinking fountains	Good	
<b>Safety:</b> Fire safety, emergency systems, hazardous materials	Good	
<b>Structural:</b> Structural condition, roofs	Good	
<b>External:</b> Windows/doors/gates/fences, playgrounds/school grounds	Good	
<b>Overall summary of facility conditions</b>	Good	
<b>Date of the most recent school site inspection</b>	10/19/2020	
<b>Date of the most recent completion of the inspection form</b>	10/19/2020	

### Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item’s repair status, all deficiencies are listed.

Deficiencies and Repairs		2020-21 School Year
Items Inspected	Deficiencies and Action Taken or Planned	Date of Action
<b>Interior</b>	Ceiling tile broken, needs replacement; ceiling tile out of place. Work order has been placed for repairs.	Ongoing
<b>External</b>	Down spout drains out toward room and water enters room. Work order has been placed for repairs.	Ongoing

### Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

### Parental Involvement

Through our parent liaison, parents are kept informed of activities at the school and any issues concerning their individual student. Teachers have committed to maintaining contact with the families of the students in their advisory group. This will include an introductory phone call at the beginning of the year, phone calls to invite families to events at the school (including back-to-school night, awards assemblies and open house) and any issues of concern. Parents are given the opportunity at orientation to sign up to participate in the school in a variety of ways, including participating in potlucks for assemblies, the School Site Council (SSC) and the English Learner Advisory Committee (ELAC), or making presentations in classes of interest to the students.

For more information on how to become involved at the school, contact parent liaisons Maria Espinosa and Melanie Mosley at (925) 473-2510.

### School Facilities

Black Diamond High School opened in the fall of 2012. There are 19 classrooms and one media technology center. A multi-purpose room doubles as a cafeteria and a gymnasium. There are several offices to accommodate support staff and office personnel.

The classrooms at Black Diamond are sufficient to meet the needs for students to engage in a healthy learning environment. Our site is inspected on a monthly basis according to the guidelines generated by the Williams settlement decision. Each classroom is equipped with projectors and ELMOs (document enhanced technology).

Black Diamond is cleaned on a consistent basis. There is one head custodian who serves our campus during the school day and a second custodian who cleans the campus during the evening.

The site administrator and the custodial staff address school cleanliness daily. We clean the restrooms on a routine basis, note discrepancies, create work orders and make corrections in a timely manner. School grounds and facilities are in excellent condition for the student enrollment assigned to the site. Deferred maintenance items are scheduled and completed in a timely manner.

Two campus resource assistants, the vice principal and principal supervise students before, during and after school. A school resource officer is assigned to the campus.

### Types of Services Funded

The following services are provided at the district and/or site level:

- Collaboration and Intervention Team
- Professional development including ELA and math trainings, cross-cultural language and academic-development examination, ADEPT, Systematic ELD, Lesson Study and data protocol
- Parent and family engagement opportunities and training
- Extended-day and summer intervention programs
- College-readiness programs
- Counseling
- Class-size reduction
- Summer programs
- Credit recovery programs

## Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note that total teacher misassignments includes the number of teacher misassignments of English learners.

## Professional Development

The Local Control Accountability Plan (LCAP), LCAP Addendum, the Learning Continuity Plan (LCP) and the sites' School Plan for Student Achievement (SPSA) are the genesis of selected focus for professional development. The data from student achievement drives the selection of adult learning opportunities. Based on student-achievement data, including the data from underserved student groups, the district is focusing professional development on integrating the Common Core State Standards in English language arts (ELA) and mathematics. In addition, we have invested in professional development to support distance learning for all staff.

Every teacher participates in three full-release professional-development days. In addition, educators collaborate with each other in facilitated grade-level/department meetings. Site administrators provide support and feedback to staff members related to targeted improvements. Pittsburg teachers collaborate with their colleagues to create common lessons/units that they teach in their classrooms.

Summer institutes are numerous and comprehensive. In-depth trainings are available in implementing core curricula, intervention programs, English language development (ELD), structured engagement, expository writing, reading comprehension and mathematics, as a few examples. Compensation is provided to teachers who attend professional development outside the workday.
