Principal's Message

Willow Cove Elementary School is currently home to 601 preschool through fifth-grade students. We offer an after-school program that provides enrichment and academic support for our students. In 2004, Willow Cove opened its first dual-immersion classroom for kindergartners. Today, we have 12 dual-immersion classes for grades K-5. We also have four special day classes for K-1, 1-2, 2-3 and 4-5.

A strong, dedicated teaching staff and a committed cadre of support personnel model Willow Cove's professionalism. General and special education teachers; specialist teachers in music and physical education; a resource specialist; speech therapist; school psychologist; school counselor; behavior support aide; and Lincoln Center counselors all collaborate to ensure students are ready to learn and be successful. A library technician, nurse, a bilingual instructional aide, two classified office staff members, and five yard supervisors along with custodians and cafeteria personnel provide on-the-ground support to our students throughout the day.

Willow Cove has a Parent Involvement Policy and encourages parent participation that meets the various schedules and desires of the community. Parent groups include a Parent Club, the English Learner Advisory Committee (ELAC), and the School Site Council (SSC).

Willow Cove promotes community partnerships. We work with St. Perpetua Church in Lafayette's Shoes That Fit program, which provides shoes for certain students, and Pittsburg Rotary annually provides dictionaries for each third grader. We also participate in grants related to student and community nutrition and healthy living, working with Child Nutrition Services, Fresh Approach, Contra Costa Health Services and the Contra Costa County food bank. We also strive to meet the emotional needs of our students through our Positive Behavioral Interventions and Supports program and our on-site Lincoln Center counseling services.

Willow Cove is proud to have received the Gold Award of Distinction in the Healthier US School Challenge, which recognizes our outstanding efforts to promote healthy nutrition and exercise for our students.

In the 2021-22 school year, like in the 2020-21 school year, Willow Cove was recognized as a Special Olympics Unified Champion School by implementing three components of a Unified Champion School: Unified Sports, Inclusive Youth Leadership and Whole School Engagement. This program intentionally promotes social inclusion by bringing together students with and without intellectual disabilities through sports and education-related activities. The goal is to create school climates where students with disabilities feel welcome and are routinely included in all activities, opportunities and functions.

Our Goals

We continue reshaping and investing in the instructional program to achieve the goal of having our students be on track for college and career readiness by achieving proficient or above scores on the Common Core State Standards assessments.

School Focus

- Boost best first instruction through:
 - Collaborative coaching model, with focus on best practices and checks for understanding
 - Daily implementation of a balanced math program; reading foundational skills in K-3; writing program; fluency routine and Universal Access
 - Designated English language development (ELD) periods for all K-5 classes
 - Integrated ELD in all classrooms
 - Extended individual coaching opportunities for teachers
- Establish a continuous cycle of improvement through:
 - Regular staff and grade-level examination of common student-learning data on Common Core State Standards after and between benchmark assessments
 - Common instructional planning based on student-learning data
 - Data conferences with teachers after regular student assessments
- Intensify differentiated instruction in core areas through:
 - Use of Accelerated Reader in English language arts, Imagine Learning, Freckle, Nearpod, Imagine Math and Accelerated Math Facts
 - Universal Access for Response to Instruction (RTI), with small group instruction for FBB, BB and B students
 - Early Literacy coaching for teachers with a focus on foundational reading skills
 - Leveled readers are available to create differentiated student reading groups both in the school library and classroom libraries
 - Provide after-school expanded learning to address learning gaps with a focus on literacy and math
- Provide a safe and clean learning environment:
 - Continue to implement our Positive Behavioral Interventions and Supports system and regularly assess ongoing needs and solutions through our Star Student Program, Mindful Life Project and Coordination of Services Team (COST)
 - Conduct informal and formal opportunities for all stakeholders to provide feedback and input
 - Work proactively with maintenance and operations to immediately address issues as they arise
 - Train staff in crisis response and safety-related topics

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

District Mission Statement

It is the mission of Pittsburg Unified School District (PUSD) to inspire our students, to ensure they achieve equity in academic excellence and to bring students closer together through shared experiences in learning. We believe the cultural diversity of our community, and our youth are our greatest assets. We endeavor to bring our students to their fullest potential and to create lifelong learners who will contribute positively to the world.

Principal's Message

Continued from page 3

- Provide resources on campus to help support students with social/emotional needs through Lincoln Center, Mindful Life Project, School Counselor and a behavior support aide
- Communicate proactively with our parent community:
 - Hold regular school-related activity nights for families
 - Partner with all parent groups to explore best practices for communication, including autodialer and auto-texting programs, email, and Class Dojo, a parent communication and behavior tracking program

We want our students to be positive world changers with unlimited options and possibilities for their futures.

School Mission Statement

It is the mission of both Pittsburg Unified School District and Willow Cove Elementary School to inspire our students, to ensure they achieve equity in academic excellence, and to bring students closer together through shared experiences in learning. We believe the cultural diversity of our community and our youth are our greatest assets. We endeavor to bring our students to their fullest potential and to create lifelong learners who will contribute positively to the world. All students will work to achieve California Common Core State Standards and benchmarks with the goal of becoming college and career ready.

School Vision Statement

Willow Cove is committed to providing equity for all students with effective, engaging, rigorous and differentiated instruction that facilitates: language learning and early literacy; inclusive practices for special education; and focused work with English language learners by building on and recognizing the importance of culture.

School Safety

Each year, the teachers and School Site Council review the school safety plan. The school faculty last reviewed, updated and discussed the school safety plan in February 2023. Key elements of the plan include crisis-response procedures; daily procedures; and procedures and policies for handling harassment and bullying, rules, discipline policies, supervision and schedules. Willow Cove Elementary holds monthly fire drills and practices emergency procedures including earthquake drills, intruder lockdowns and other scenarios as needed.

Enrollment by Student Group

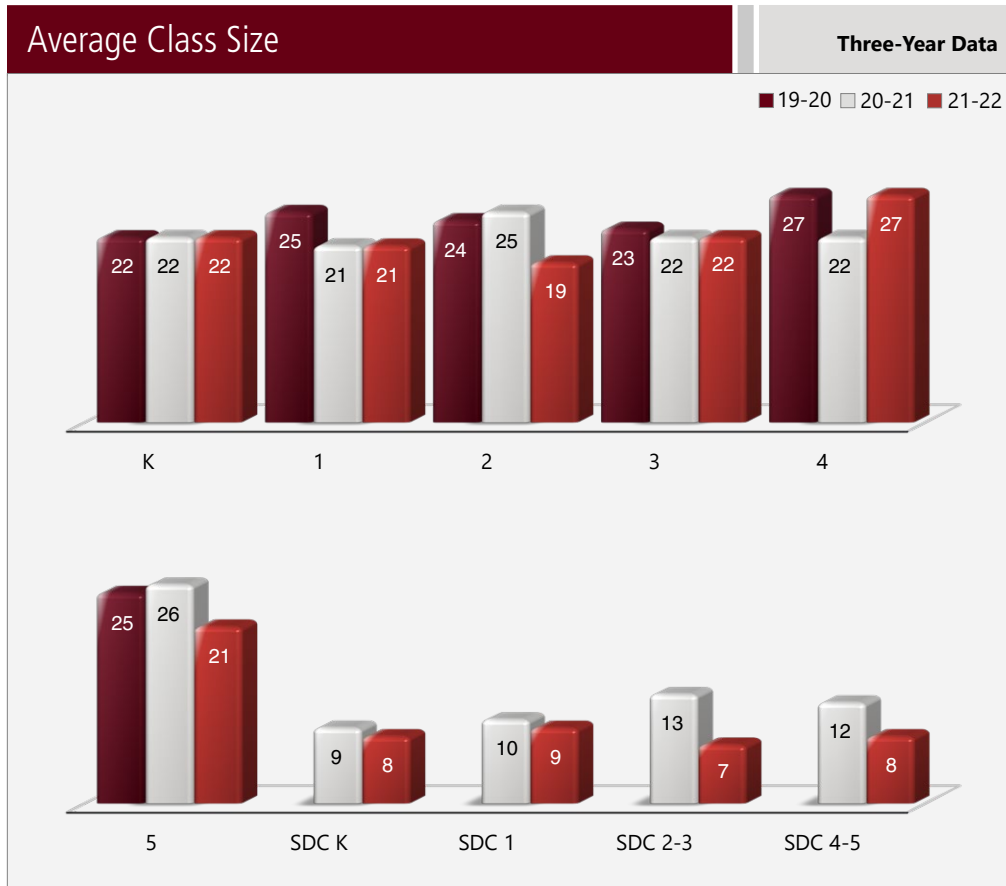

The total enrollment at the school was 608 students for the 2021-22 school year. The pie chart displays the percentage of students enrolled in each group.

Class Size Distribution

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Parental Involvement

Parents and guardians may become involved in our school by participating in any or all of the following activities:

- Classroom volunteer program
- Parent Club
- English Learner Advisory Committee (ELAC)
- School Site Council (SSC)
- Title I parent meeting
- Back-to-school night
- Academic Recognition Medal Ceremony
- STAR Student monthly recognition
- Parent-teacher-student goal-setting conferences in October
- Math Night, Literacy Night, Art Night and Healthy Living Night
- Winter and spring concerts
- Open house in May
- Musical Performance
- Field Day and Carnival
- Promotion ceremony for fifth-grade classes in June

For more information on how to become involved, please contact the administrative secretary Nancy Moreno at (925) 473-2470.

Board Goals

1. Student Achievement

- Students will demonstrate continuous improvement in academic excellence, as measured by clear and accessible multiple assessments
- Opportunity gaps will have accelerated reduction through purposeful interventions and supports, including Ethnic Studies
- Our belief is every student is entitled to a high school diploma and our goals and commitment is to achieve a 100% graduation rate

2. Powerful Instruction

- Effective instruction aligned to the common core will be expected, supported and measured to ensure continuous improvement of student achievement

3. Outstanding Staff

- The district will recruit "highly qualified" and appropriately credentialed teachers
- The district will support, retain and promote quality staff through good working conditions, competitive total compensation packages, and coaching and professional development

4. Quality Learning Environment

- High-quality facilities
- Safe, orderly and secure schools
- School site culture of caring and respect
- State-of-the-art technology

5. High-Performing, Accountable Organization

- Fiscal stability and responsible long-range planning
- Comprehensive accountability system
- Effective informational and instructional technology
- Responsible, respectful, efficient and transparent service

6. Meaningful Collaboration, Partnership and Parental Engagement

- Timely and accessible communication with community
- Strategic community partnerships
- Focus on parent and student engagement, including diverse opportunities for involvement
- Strong communication and relationships between parents/guardians and schools
- Proactive engagement in students' academic and personal growth
- Board and superintendent and staff communication

Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates collected between July through June, each full school year respectively.

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table shows the school, district, and state suspension and expulsion rates collected between July through February, partial school year due to the COVID-19 pandemic.

Expulsion rates	0.0%		0.0%	0.1%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Due to changes to the 2021–22 PFT administration, only participation results are required for the five fitness areas.

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

Professional Development

The Local Control Accountability Plan (LCAP) and the sites' School Plan for Student Achievement (SPSA) document the selected focus for professional development. The data from student achievement drives the selection of adult learning opportunities. Based on student-achievement data, including the data from underserved student groups, the district is continuing to focus professional development on integrating the Common Core State Standards in English language arts (ELA) and mathematics, Equity, Social-Emotional Learning and Multi-Tiered Systems of support.

Every teacher participates in three full-release professional-development days. In addition, educators collaborate with each other in facilitated grade-level/department meetings. Site administrators also provide support and feedback to staff members related to targeted improvements. Pittsburg teachers collaborate with their colleagues to create common lessons/units that they teach in their classrooms.

Summer institutes are numerous and comprehensive. In-depth trainings are available to support implementing core curricula, intervention programs, and English language development (ELD), and include but are not limited to structured engagement, expository writing, reading comprehension and mathematics. Compensation is provided to teachers who attend professional development outside the workday.

Statewide Assessments

Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The “percentage met or exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

SARC Reporting in the 2020–21 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

The CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

* Data for 2020–21 are not comparable to other year data due to the COVID-19 pandemic during the 2020–21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–21 school year to other school years.

Textbooks and Instructional Materials

California state-adopted textbooks are recommended by district committees, adopted by the board and then purchased. Each site, through funds supplied by the district, has been able to provide each student with a copy of every core textbook to use in class and take home for homework.

The district has purchased textbooks and instructional materials for grades K-12; said textbooks and instructional materials are used by students at each grade level in each school. The Pittsburg Unified School District Governing Board declared during its fall school board meeting that PUSD has provided sufficient textbooks and instructional materials consistent with the state board-adopted curriculum framework cycle.

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Facility Good Repair Status

The table shows the results of the school’s most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility’s good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status		2022-23 School Year
Items Inspected	Repair Status	
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)	Good	
Interior: Interior surfaces (floors, ceilings, walls and window casings)	Fair	
Cleanliness: Pest/vermin control, overall cleanliness	Good	
Electrical: Electrical systems	Fair	
Restrooms/fountains: Restrooms, sinks and drinking fountains	Fair	
Safety: Fire safety, emergency systems, hazardous materials	Good	
Structural: Structural condition, roofs	Good	
External: Windows/doors/gates/fences, playgrounds/school grounds	Good	
Overall summary of facility conditions	Good	
Date of the most recent school site inspection	5/6/2022	

Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item’s repair status, all deficiencies are listed.

Deficiencies and Repairs		2022-23 School Year

Safety	Uneven pavement/holes. Work order has been placed for repairs.	Ongoing

School Facilities

Willow Cove Elementary School opened in December 1996. The school contains an office building, library, a counseling office, speech room and a multipurpose room. There are 18 permanent classrooms with four attached workrooms. In addition, we have eight semi-permanent classrooms, nine portable classrooms and another portable that serves as a computer lab. Another smaller room serves as an additional computer lab.

There are three full-time equivalent (FTE) custodians for the regular day. The head custodian is on-site from early morning to afternoon, and two night custodians are on-site from afternoon to late night. The administration and custodial staff meet to discuss any problems with the facilities as they arise. We review new district, state and federal policies as needed.

Each morning before school, teachers and supervisors are on duty to ensure all students are supervised. No student is allowed to remain outside alone.

At the beginning of the school year, teachers and supervisors are scheduled for yard duty, lunchroom duty, and before- and after-school duties. Administration assists during each portion of the day.

The site is inspected on a monthly basis according to the guidelines generated by the Williams case decision. At this time, we have no safety-related discrepancies that have not been corrected. The site administrators and custodial staff address school cleanliness daily.

Restrooms are cleaned on a routine basis, and discrepancies are noted, work orders are created and corrections are made on a timely basis. School grounds and facilities are adequate for the student enrollments assigned to the site. Deferred maintenance items are scheduled and completed in a timely manner. Solar panels were installed in the summer of 2010.

Working with the district, using district funds, we remodeled all our student restrooms, and our school was recently painted. Regular attention is given to maintaining all playing and walking surfaces around the school and playground. We have added and refreshed tanbark around the school, and special attention has been given to improving our landscape design. A play structure was installed during the summer of 2011, and we held the ribbon-cutting ceremony for a new proprioceptive play structure in September 2014. The district used voter-approved bond money to build a new multipurpose room/gymnasium, convert the old multipurpose room/gymnasium into a larger library, and convert the old library into a conference room with two offices.

Types of Services Funded

The following services are provided at the district and/or site level:

- Collaboration and Intervention Team
- Professional development including ELA and math trainings, cross-cultural language and academic-development ELD and data protocol
- Parent and family engagement opportunities and training
- Extended-day and summer intervention programs
- College-readiness programs
- Counseling
- Class-size reduction
- Summer programs
- Credit recovery programs

Teacher Preparation and Placement

The teacher data displayed in this SARC is from the 2020-21 and the 2021-22 school years. This table displays the number and percent of teacher authorization/assignment as well as the total number and percent of teaching positions at the school, district, and state levels. For questions concerning the assignment of teachers outside their subject area of competence or the credential status of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsupdfash201.asp>.

For more information on the definitions listed above, refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

This table displays the number of authorization/assignments of teachers as well as the total number of teachers without credentials and misassignments at the school level. For questions concerning the permits, waivers, and misassignment of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsup-dflash201.asp>.

Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison	2020-21 Fiscal Year	
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary
Willow Cove ES	\$6,978	\$78,618
Pittsburg USD	\$8,879	\$78,313
California	\$6,594	\$88,358
School and district: percentage difference	-21.4%	+0.4%
School and California: percentage difference	+5.8%	-11.0%

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1. All data accurate as of January 2023.
