Mrs. Richie was concern about these issues.

Comments were to make a health day. Community Service people, the campus is close but it is available for everyone.

Mrs. Ameal also commented that this is a committee, and the staff member had not been informed.

Why may be good having Dr. Tracy Catalde's, Mindful Mondays.  
Maybe we should have theses at the sites.

Some of middle schools has started this community, this is not at all sites.  
We need to offer with the students so they can have a therapeutic time.

Mr. Linde, the problem is here, they do not get the funding.  
On site campus security. The Board won't give us the money.  
We may need to know what grants are out there and see how we are funding

There was direct funding from the for the laptops.

Mrs. Archie commented. It is sad, you have been indoctrinating with a lot of issues that are parents' issues and it is not your job as a teacher.

Mrs. Tasharie mentioned. There is no way to avoid to be partners with the parents.  
It is hard to do classroom management.

Mrs. Archie, It is a great deal of being adult.

Parents are working and students are taking care of smaller siblings.

There is too much of these put on educators (teachers),  
Mrs. Belleci, Parents are young now.

Mrs. Richie, you as educator have more responsibilities. The parents need to know there is a line. You allow it, like there is no separation,

Parenting classing. We should be making the parents come to classes to learn.

Tasharie, the laws in California keep changing.  
Mr. Linde, the dates on government representation is over.

Shelley I understand what you are saying.
